

It is a pleasure to communicate with you and propose a plan to renew your website and effectively promote your band online. Our brand offers professional services specialized in the musical field, including:

- Development and updating of websites for bands.
- Frontend and backend technologies with specialization in HTML, CSS, JavaScript, and Bootstrap 5.
- Optimized web hosting for high performance and security.

We offer a great price to make your goals a reality and ensure your complete satisfaction with the work done. The proposal is divided into several parts for effective execution and corresponding payments.
